

The Arabian Horse Connection Proudly Presents

DOUBLE DIAMOND ARABIAN SHOWCASE

Saturday 20 October - Sunday 21 October 2018

RESULTS

A word from our judges:

CONNIE O'BRIEN - USA

I was honored to be invited to judge the Double Diamond Arabian Showcase October 20 and 21, 2018. It was a pleasure seeing all the derivatives and purebred Arabians at the show. One thing that stood out to me was the majority of horses had good legs and feet. This speaks highly for the quality of the horses in Australia.

Another thing I observed was the number of horses who went from being presented in-hand to performing under saddle in various ways. The performance classes were also very impressive, with high standards being exhibited by horse and riders. Australian horses are not only beautiful, but useful.

During my stay I enjoyed the atmosphere and engagement of the competitors and spectators. The show had a very positive energy. The staff and those attending and competing were very pleasant and polite. This makes a judges' work that much more enjoyable!

Thank you for having me judge your show, it was a wonderful experience.

COLLEEN & DOUG RUTHERFORD - QLD

Congratulations to the committee of this new Arabian show. At a time when committees are struggling to survive this group put together a great program at a really lovely venue.

Time tabling caused a few issues early in the day but I felt that the exhibitors were such a great group that they all happily continued.

The concept for the show was innovative. I think next year the wrinkles will be ironed out and the show program will work well, while the show will grow and succeed. Interstate horses attended which is always a good start for any show organisers.

The horses presented were of high quality while numbers were more than acceptable for today's exhibitions. The performance horses were outstanding.

Both Doug and I were quite honoured to be asked to judge at this Inaugural Double Diamond Arabian Showcase.

The committee were awesome to work alongside – thank you Ladies and Gentlemen, the weekend was awesome, and thank you exhibitors for bringing your beautiful horses and supporting this DDAS.

A word from our judges:

MIRANDA BEASLEY - QLD

Thank you to the committee for inviting me to judge at the The Double Diamond Showcase, a wonderful new concept show. The Ring looked lovely over the 2 days and it was lovely to see the spectators have the opportunity to get up close and personal in the Ring on the Saturday.

I had some lovely exhibits present to me over the event and so many competitors with big smiles on their faces throughout the judging - always a great sign that they are also enjoying the event.

The task of putting together a whole new Event is no easy feat, and as with all things new the Committee worked extremely hard to minimise any glitches throughout the weekend - hats off to everyone and I look forward to watching this show grow and strengthen in the coming years.

JOANNE SWARBRICK - NSW

It was a pleasure to be invited to judge at the Double Diamond Arabian Showcase.

Not having judged at the K Ranch venue previously I found the indoor to be pleasant for both spectators and exhibitors.

My first section of the day was the bridle path hacks in which I found several horses and ponies that performed well and gave their riders a well deserved diamond champion. The champion of champions consisted of a quality line up of horses.

The youth section saw many quality young riders, the champion of champion went to a lovely gelding who I am sure will take his rider to many more championships in years to come.

The Makeher Jazz Memorial Ultimate Cup I judged along side Miranda Beasley. This class required us to score the workout, a led section and the attire of the horse and rider. What a lovely line up of horses who all performed the set workout extremely well. The winner of the class had gone to great effort to adhere to the rules and both myself and Miranda agreed she was the stand out winner. Congratulations and well done.

The Derivative Ridden Jackpot Cup saw 3 judges score each horse for their workout and as a led prospect, the top 3 horses were unanimous with all 3 judges though in various positions. All place getters of this class should be congratulated on their lovely horses and the work they produced at the end of a long day.

I would like to congratulate the committee on the success of their first show and hopefully they continue to bring many more shows to the arabian community.
