## President's Bits and Pieces

Happy New Year! I am actually writing this during our first major snowfall. At the risk of getting booed, I like snow. It looks so pretty and fresh and peaceful. I may need to reread this come February to see if I feel the same way. The first half of my term as president flew by. In case, you can't tell I am really enjoying being president. The new year brings lots of great speakers, classes, National Quilt Day and Mystery Bus trip - if you didn't get a chance to sign up for things in December, we will be doing sign up at the January meeting. Remember the January meeting is the 9th.

I saw this on Facebook and it applies today. 'The weather outside is frightful and the sewing machine is so delightful, let us sew, let us sew, let us sew'.

Leigh Hathaway

The January executive meeting (for the February guild meeting) will be held on January 23rd at the home of Leigh Hathaway, 264 Kathleen Street at 7:00. Any questions, please give Leigh a call at 519-337-7655.

## December 5th SQG Meeting

Our meeting tonight was chaired by our president Leigh Hathaway. She began by reading a thank you card from McMaster NeoNatal unit for the guild's donation of premie blankets. The guild also received a thank you from Laverene Phillips, representative of the Quilts of Valour, for all of our support.

Welcome to our guests Shelly Kossio, Patricia More, Nancy Kotrell, and Lou.

Reminders – There is still time to join the "Newbie Challenge"; see Janet Dudek for instructions and fabric.

Comfort Quilts – A big thank you from Henri Saucier to all those who helped finish 33 comfort quilts. They will be delivered to St. Clair Child and Youth, Huron House Boy's Home, and the Salvation Army next week.

Kitchen – Christine Golub was overwhelmed by the amount of snacks and goodies brought by members for our social this evening, thank you to all. The extras will be delivered to Huron House Boy's Home.

Christmas Block Exchange – Twelve members exchanged Christmas blocks that they created. Each person brought in a block which was put into a numbered paper bag. Each person then choose a bag and received a block that someone else had made. Everyone came up to stand on the platform and show their new block. It was nice to see all of the different blocks.

Mystery Bus Trip – Guild Vice President Sam Stancic, with the help of Colombo (a. k. a. Leigh Hathaway), gave us details about a mystery bus trip; that is, a "murder mystery bus trip". Sam told

Sarnia Humane Society doesn't need any more scraps of fabric at this time as they have an over abundance of them. They will let us know when they need more. If anyone knows of another place to donate the scraps please let us know.

us about the fun to be had on February 25, 2017. The bus leaves at 8:00 a.m. and returns at 8:00 p.m. from the Wal-Mart parking lot, making 4 stops during the day. Lunch is also included, for \$60.00. Sign up was at the meeting tonight and will also be after the meeting in January.

Congratulations!

**Fat Quarter Winners** - Ingrid McTavish, Patsy Karpan, Brenda Bouma, Dorothy Drury

**50/50 Winner** – Heather Maslen

**Show n' Tell Winners** – Alice King, Jacki Bennett, Paula Lacasse, Joan Maguire, Rosemary McGee, and Freda Porter

**Program** – There will be sign-ups tonight for classes in the new year. Everyone was given a pamphlet detailing up-coming classes.

Tonight's festive program started with Show n' Tell and continued on with Audrey Carr on the guitar leading Nora Boyd, Hillary Work, Leigh Hathaway, Lisa Johnson, Jan Lancaster and Ingrid McTavish singing a

Canadian version of the Twelve days of Christmas. Wonderful job ladies! We then enjoyed listening to our

own fabulous storyteller, Sue Ross, reading the story of the Quilt of Belonging. This was followed by Audrey Carr instructing us in the making of a fabric origami ornament. After our crafting we had fun with a Christmas gift exchange game lead by Nora Boyd completed our festive evening. We then gathered in the Fellowship room for visiting and all those delicious treats.

**Thank you to the Program Committee for a fun evening.**

Happy New Year to all.

Minutes by Paula Lacasse, secretary

Thank you to everyone for helping out with the Comfort Quilts. I delivered 33 quilts before Christmas to some very happy recipients. They went to St. Clair Child and Youth, the Salvation Army and the Boy's Home (they were thrilled with the quilts. Little did I know that they have twelve boys there and just by chance, that was how many quilts I delivered). Henri Saucier

## Trivia Questions for January

2. Why are colour dots printed in the selvage of fabrics?
3. Colours "recede" if they are cool, light or toned down. True or False?
4. Superstition: Placing a cat on a finished quilt and shaking the quilt causing the cat to jump would reveal what?
5. In paper piecing, what should you do to your stitching to prevent fabric fraying or tearing when removing the foundation paper?

### From the Kitchen Committee Coordinator

Thank you once again for filling the tables with an amazing selection of delicious holiday baked goods. It was certainly a great kick off to the holiday season. All left over treats were dropped off at the Huron House Boys Home and the women who helped me unload were overwhelmed with the generosity of the Sarnia Quilters' Guild. They just knew those treats would bring a lot of joy to the boys!

I would also like to thank the continued support by the kitchen volunteers and those who jump in to lend a hand!

Thanks! Christine Golub

**COME BROWSE BORROW RETURN**

**HAPPY NEW YEAR, EVERYONE!**

Resolve to visit our library often in the new year. There are lots of pattern books to inspire you.

The assistants for January are Theresa Foubisher, Sue Gimpel, and Suzanne Michaud. Try to be there at 5: 50 to set up.

Dawna Joy Lapeare

A hint..... When attaching a quilt binding, accordion-fold it, then put it in a plastic zip-loc bag. Tape the bag to the front of your sewing machine table. Your binding will now feed into the machine without tangling or falling to the floor.

Answers to Trivia:

1. Patience
2. They are used to help coordinate fabrics and fabric colours
3. True
4. The next girl to get married was the one closest to the cat when it jumped out of the quilt.
5. Use a shorter stitch length, this will cause the paper to tear much as if it had been perforated
