MAJOR: BIOLOGY
FOCUS: PRE-MED
HOMETOWN: KINGWOOD, TX

I am from just north of Houston, a town called Kingwood. In my free time, I travel around Texas with my mom, helping her to run her traveling boutique (we just got a pink 1969 vintage camper!). I am currently applying to medical school and am super excited to learn more about the process of becoming a physician. If anyone ever has any concerns, suggestions, or questions, feel free to reach out and I will be happy to help!
