BUMEDS

MESSAGES

Hey guys! We have our second fundraiser this Tuesday, October 2nd at Freddy's from 5 to 8! We are raising funds for Mission Waco, Caritas, and Mosaic. We fundraise for the same reason we do service, to support organizations that help our desperately in need community in Waco. We devote our time and energy to these organizations through our volunteer work. Fundraising allows us to give them some extra financial stability to purchase more supplies, open new programs, or really what ever they need. I highly encourage you all to come out and support these fantastic organizations just like you do with service!

Know where Arlington, TX is? Home of the Dallas Cowboys and Texas Rangers? I'm from the city right next door! I am the youngest of three girls and the first of my family to attend college. I'm a loving dog mom to a 4-year-old collie mix named Andie and a 1-year-old border collie named Keira. I'm also engaged to a wonderful man named Alex Brown who is himself a Baylor graduate, and we currently live in Temple, TX. Alex works full time in Austin, and I work in the Emergency Department of the BSWH McLane Children's Hospital in Temple.

I spent the majority of my undergrad committed to being a Physical Therapist, but recently decided to change my career course and pursue Nursing! I will be entering the Baylor FastBacc program after graduation to obtain my BSN and hope to continue working for Baylor, Scott & White Health.
