# MESSAGES

---

Don't forget that Steppin' Out is on Saturday, November 10, from 11:00 a.m. to 3:00 p.m. (time is subject to change depending on our assigned project). The registration deadline is Monday, October 22, but sign up today to ensure you don't miss out. You can access the Regular Volunteer Registration Form on OrgSync under the page Steppin' Out – CES. When prompted, enter the full name of our organization: Baylor University Medical Ethics Discussion Society.

For those who haven't participated before, Steppin' Out is a uniquely Baylor tradition. One Saturday morning every semester, thousands of members of the Baylor campus community give back to the City of Waco and surrounding areas by performing a wide range of simultaneous community service projects. BU MEDS projects in the past have included trash pick up around the GW Carver Middle School area, yard work at a house in East Waco, and brush removal at a park in North Waco. I am very excited to learn of our service site later this month and to have all of you on board for this awesome opportunity! More information will be circulated closer to the date. In the meantime, don't hesitate to contact me if you have any questions.

- Zach, Service Chair

Dues must be paid before October 11th. If your dues are not paid by then you will be removed from our roster (sad day, we definitely don't want that! :( )
- Study Hour is back! We will be hosting study hour every Tuesday from 7:00-8:00pm in the BSB, and we will be reserving a room to give you a quiet, private place to study, write on a white board, or do whatever it is you need to do. This will count as mentoring and/or social points.

## DALTON JONES

SOPHOMORE  
MAJOR: BIOLOGY  
FOCUS: PRE-MED  
HOMETOWN: SHERMAN, TX

I was born and raised in Sherman, Texas. It's about 60 miles north of Dallas and the last sign of civilization before you cross the river into Oklahoma. I work with my older brother as a scribe in the Emergency Department at Texoma Medical Center, one of the biggest hospitals in that area. Outside of work and school, I'm a huge fan of football and hockey. I even had season tickets for a local minor league hockey team, the Allen Americans, for 3 years in high school!

I'm hoping to go to med school after I graduate from Baylor. My long-term goal is to go into emergency medicine, but that's still a long way off. I'm really excited for this year, and I'm looking forward to getting to know y'all over the course of the school year!
