MAJOR: BIOCHEMISTRY

FOCUS: PRE-MED

HOMETOWN: COLORADO SPRINGS, CO

My name is Tacker Patton and I am the medical discussions chair! I am a biochemistry major on the pre-med track and am enrolled in the honors program. I am passionate about ethics and philosophy and enjoy exploring questions that make me think about life from a new and fascinating perspective! Last summer I began a research internship with the Baylor Scott and White Hospital in Fort Worth where I had the opportunity to learn so many amazing things about medicine and life as a physician. Ask me about it sometime!
