# Be a Useful Engine

Cleveland County Partnership for Children  
7th Annual Dolly Parton Imagination Library Golf Tournament  
October 10, 2019

## What We Do...

The Cleveland County Partnership for Children promotes school readiness by planning and funding programs that help our young children arrive at Kindergarten ready for school success. We form collaborative partnerships with families, child care providers, schools, businesses, local government, agencies, organizations, and the faith community to work together on behalf of young children and their families.
