

Farm Equipment and Dairy Herd Dispersal Willow Creek Farm—Maribel, WI

Tuesday, March 19, 2019 10:30 a.m.

Randy Wegner 920-680-8086 Nathan & Marie 920-676-3721

Sale held on this 4th gen. dairy @ 1390 Pleasant Rd., Maribel, WI

Just minutes off I-43, Exit Hwy. Z west to South on Pleasant Rd, then to farm on right.

The Willow Creek Dairy herd includes...160 freestall, milking parlor cows and approx. a dozen springing heifers. Herd is 100% AI bred with Select Sires and has been on test for generations. 305 ME Lact. avg. over 23,000 with great components of 3.95 3.28 with cows selling @ 180 SCC. A herd that wears their udders well, with plenty of fancy to go along with milk & components. From the big 2-yr. old pen to many sound high production 3-yr. olds, the selection is great. While the facilities are older & tired, this well-cared-for herd of cows has plenty of room to grow as cows are not pushed. Breeding is right on schedule with a great selection of bred back cows selling. The herd has been culled hard recently and DHI production info will be recent & up to date. All cows have sire and maternal grandsire ID's. Be sure to check the web for coming picture proof of the Willow Creek cows!
