Shamdale Farms, LLC

Farm Equipment, 150 Quality Reg. Dairy Heifers & More Retirement Auction

Larry & Elise Shambeau, 7607 Tannery Rd., Two Rivers, WI

Note: The sale of Shamdale Dairy & Milking Herd is in progress, & while it is great to see their neat & tidy longtime dairy continue to operate, Larry & Elise must now empty the barns & shed of their outstanding line of farm equipment & fine Reg. dairy heifer replacements.

The Shamdale Reg. Holstein Herd has provided well for the Shambeau's, allowing the farm to grow & prosper on Wisconsin's east coast. This retirement auction offers the opportunity to buy your choice of quality dairy heifers backed by a nearly 28,000 1053 825 ME RHA on their dams, combined with generations of sound breeding based on great sires. Bred, fed, & raised right with a protocol that includes an outstanding herd health program. The opportunity to select quality Registered, or registration-eligible Holsteins is yours on the 23rd! 150 head, ranging from healthy hutch calves to springing heifers, bred to be better than their outstanding dams. Years of AI Breeding using top sires from ABS, Select, Alta, and Genvervations represented.

THE PROOF IS IN THE PICTURES of this stand-out equipment line—always maintained with the rule of “keeping it ready-to-use”, along with “back in the shed right after use” was followed by Larry. Come see for yourself—**QUALITY & SELECTION** that only comes around a few times each year!
