

SAVE THE GIRAFFES ANNOUNCES FUNDS FOR CONSERVATION SCIENCE AND/OR EDUCATION PROJECTS

Applications are open to all qualified individuals, regardless of educational background, and to projects in both enclosed and free-ranging environments. We welcome applications from animal care staff, students, postdocs, scientists, veterinarians, high school students, and independent researchers.

To apply for funding, please send the PROJECT PROPOSAL COVER SHEET (available at www.savethegiraffes.org) along with the information requested in the CHECKLIST below. Completed proposals should be combined into a single pdf file and sent by e-mail to fred.bercovitch@savethegiraffes.org

Questions should be addressed to info@savethegiraffes.org.

Timeline: Application deadline is **15 SEPTEMBER 2018**

Budget: Maximum request is **\$3,000 (US)**

CHECKLIST

- PROJECT DESCRIPTION (2 page maximum)

Include specific goals, background information, hypotheses (if scientific project), methods, description of study location, connection to conservation, and literature cited.

- PROJECT BUDGET (1 page maximum)

Include a list of expenses, such as equipment, supplies, travel, field costs, and publications. We do not fund indirect costs (overhead) or salary. Every item on the list should have a short (1-2 sentences) justification.

CV or RESUME (2 page maximum)

OTHER DOCUMENTS (Optional)

Include items that could support your application, such as a copy of ONE publication or a letter of reference or a link to your own website, facebook page, etc.
