

Battles for the Armory

Civil War Reenactment With

Talisi Historical Arts & Crafts Fair

@ Gibson's View Plantation

9:00am – 4:00pm

November 11th & 12th, 2017

The Battles for the Armory is a 2 day Civil War Reenactment that has occurred on the weekend closest to Veteran's Day every year since 1998. This year's event will be held on Nov. 11-12, 2017 from 9:00am to 4:00pm. As usual, we will honor all American Veterans at this event. This year we would like to increase the number of arts and crafts vendors to approximately 100. In doing so, we are modifying the event name to reflect the change. As a side note, we have had only 1 rain out day in our 18 years of existence.

Civil War Reenactments in conjunction with arts and crafts are a proven combination beneficial to both. As an example; Andersonville Fair drew over 7500 patrons last year even though the nearest large population center is over 55 miles away. We intend to do much better. Tallassee is within 35 miles of over half a million people and we feel we can encourage enough patrons to make this event profitable. We intend to advertise in 4 radio markets, 2 television markets, Facebook, and other Internet ads. Please be a part of our event.
