Send in your dead unit(s) for us to repair for you, then have a spare! Or, mark the core return box when you send in your dead unit, and we'll send you a check for the fixed rate that we pay for your model of unit. Fill out the form below to help us expedite your repair once it arrives. If you have more than 5 units to send in, call us and we'll email you a shipping label and we'll pay for the freight to get them here! We will bill you for return freight only.
