helps us during our emotional journey in life. Every day each child will be able to reflect and create their own beliefs in faith, while understanding their feelings as an individual in this great, big world!

If you're happy and you know it, sign up today! If you're sad, it's okay to show it, sign up today! If you're angry and you know it, then your joy will help you through it. If you're afraid or disgusted, that's okay – VBS is here – Hip, Hip, Hooray!
