Our transformational work is inspired by the ancient Muse Lilith—Tree of Life Spirit, Serpent Wisdom-Keeper, the raw creative power of the more-than-human world.

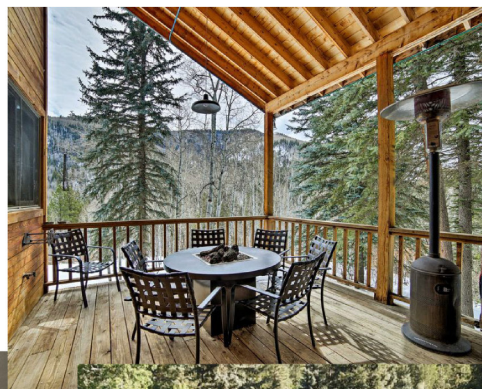

Lilith is the Shadow side of our physical nature, the dark side of the moon, the repository of our earthly wisdom. She insists we be true to our most authentic selves, that we give substance to our experience.

She is Dark Matter. She is Tantric. Her reality is not clouded by the collective experience. She seeks embodiment and dramatization in our lives.

writing round the trees

Immerse yourself in the wilderness and your writing in this Transformational Retreat. One-on-one guidance, group support, workshop topics, experiential ceremony, and hours of private writing time, inside and out.

The retreat will begin at 4pm on Wednesday, Oct. 14 and conclude at 10am on Sunday, Oct. 18. Our location, overlooking the Dolores river, is a spacious mountain lodge on 8 forested acres bordering the San Juan National Forest. Three healthy, organic meals served daily. No smoking or alcohol on the premises. Private bedrooms, shared bathrooms.
