or CALL 260-248-8030

### 80/20 Innovation

Use 80/20's T-slotted aluminum framing systems to make your office more functional and more beautiful! To get your idea started, browse through this collection of customizable storage space, workstations, cubicles, furniture, accessories and more.

## Office Storage

80/20 can help design an application that fits your office storage needs while staying clean and professional.

Clean & Sleek

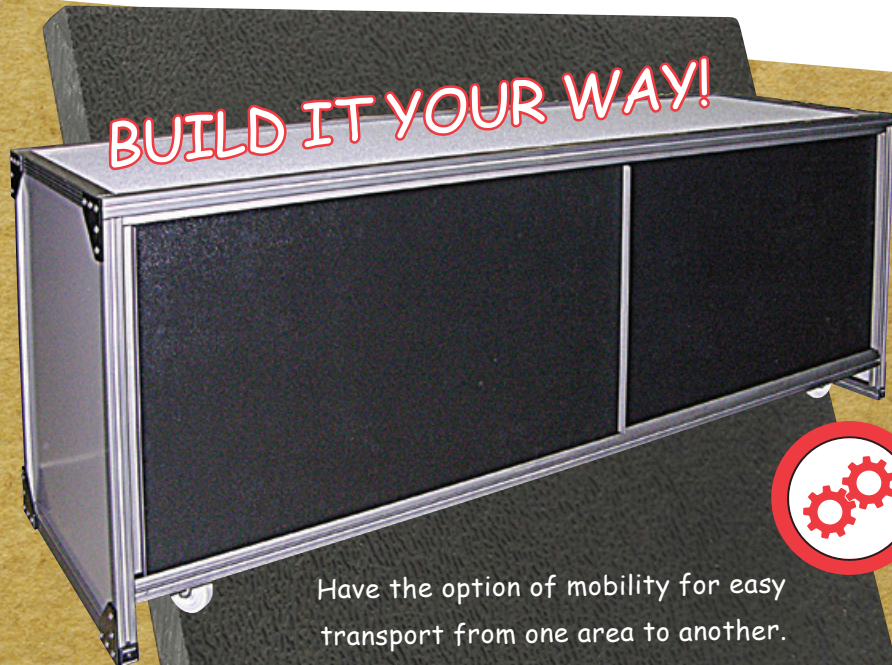

## Dual Purpose

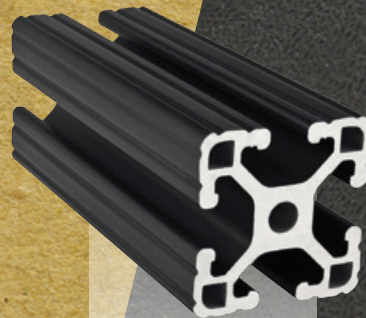

Twin Wall Polycarbonate can provide the privacy of a solid panel and also be transparent, letting light through.

**BUILD IT YOUR WAY!**

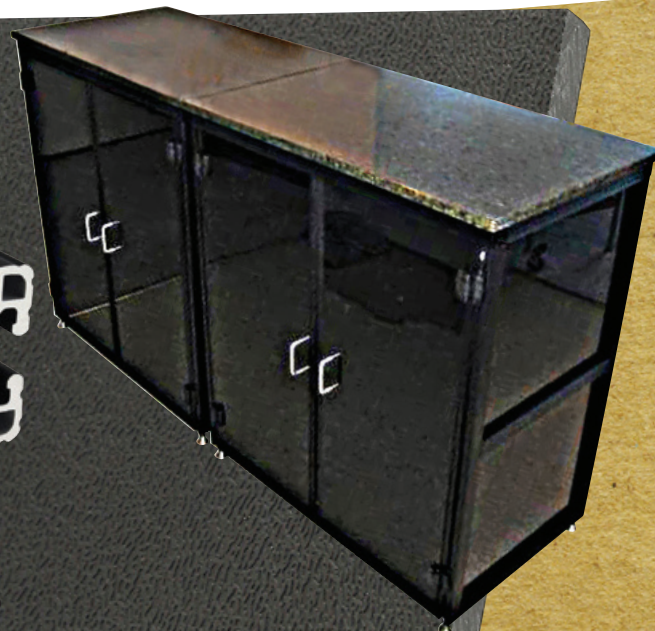

Have the option of mobility for easy transport from one area to another.

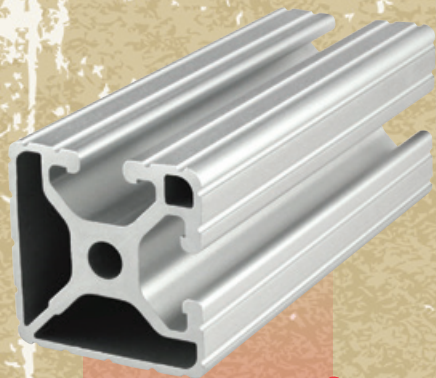

**Black Anodize**

Give your project an elegant look with black profiles.

## Closed Face

Close-sided profiles are great for anything requiring a smooth and closed off finish.

Be flexible in the location of your office!

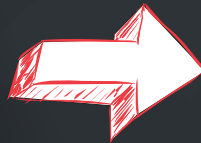

## Mobile Workstation

# OFFICE SPACES

Use the modularity of 80/20 for change and expansion within an office space.

## ERGONOMICS!

Get the most out of a desk!  
Build a desk to fit you  
and your specific need.

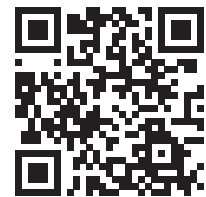

Mount custom  
tabletops to T-slot of  
black anodize desks.

Custom  
Desk

Black anodize profiles inspire  
classy and unique designs.

**Bold  
Black**

Use black anodize  
profiles to create  
attractive office  
partitions and tables.

# MATERIAL

# HANDLING

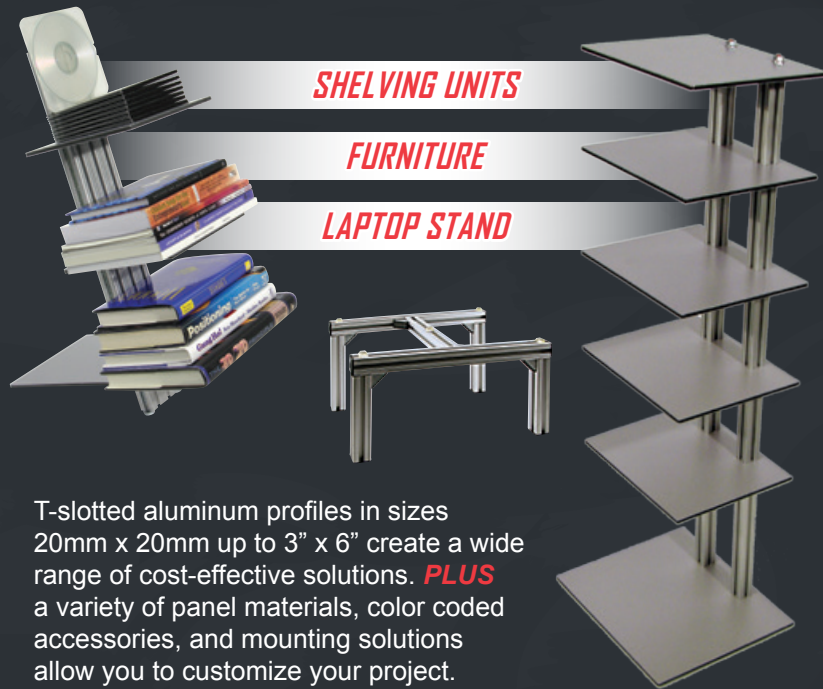

A design can be as simple as a cart!

# EXPANDABLE

The modularity of T-slot profiles allows for expansion and different setups.

# A Solution Just for You

*SHELVING UNITS*

*FURNITURE*

*LAPTOP STAND*

T-slotted aluminum profiles in sizes 20mm x 20mm up to 3" x 6" create a wide range of cost-effective solutions. **PLUS** a variety of panel materials, color coded accessories, and mounting solutions allow you to customize your project.

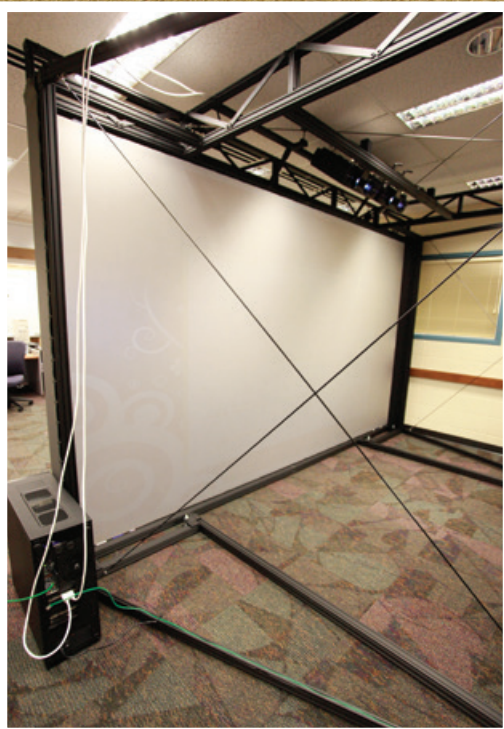

**DISPLAY  
SOLUTIONS**

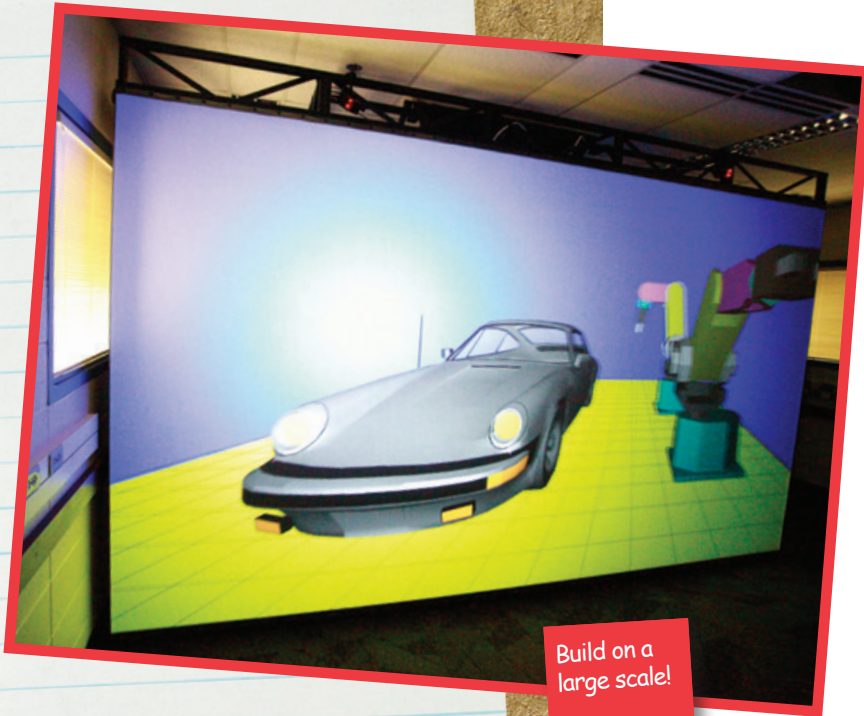

# Big Screen Solution

80/20's T-slotted aluminum framing systems make great, customizable displays for trade shows, retail, libraries, museums and more!

[8020.net/Display\\_Gallery.asp](http://8020.net/Display_Gallery.asp)

Build on a large scale!

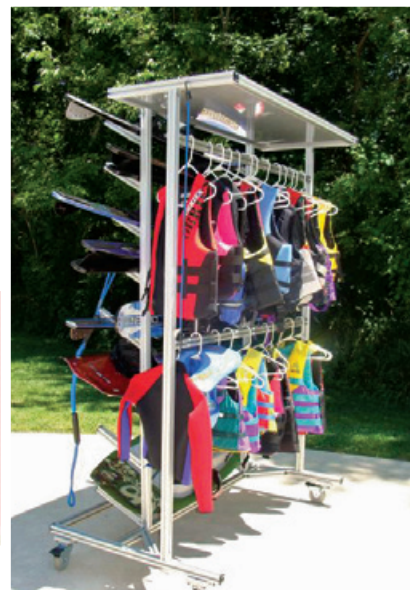

Display anything with modularity. Have room for expansion and different visible options.

## SPORTING GOODS

Keep equipment safe and organized with 80/20 storage racks.

Mount to  
non-80/20  
structures.

Display  
Profile

Rest display panels  
in the open T-slot.

Elegant design with 80/20 profiles!

# SECURE DISPLAY

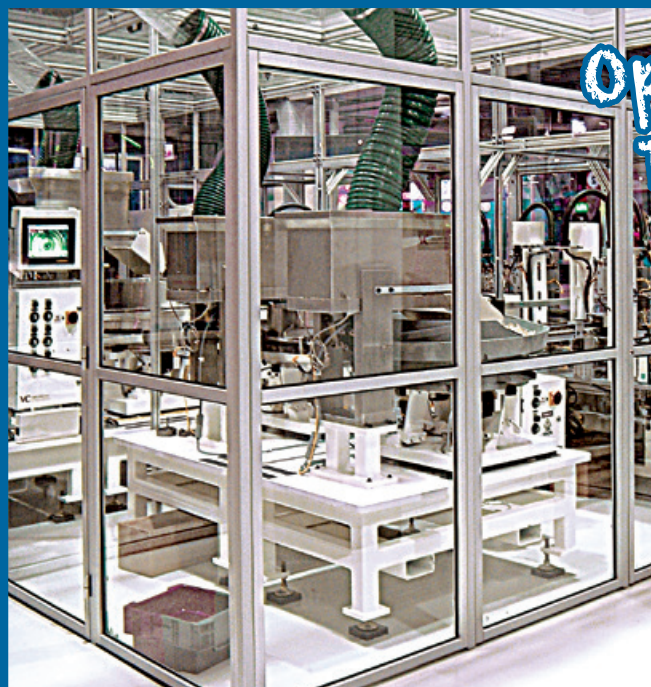

Secure expensive retail with enclosures

Setup, show and breakdown your display to use at multiple trade shows.

## Operation Display

Enclose  
machinery  
for safety  
while adding  
transparency  
for visibility.

Closed side  
aluminum  
profiles provide  
a smooth,  
finished look.
