MENZ
MINNEAPOLIS PARK BOARD
DISTRICT 1 | NE/SE

Wielinski supporting Billy Menz for parks

I have spent time getting to know Billy, and he is the person we need to continue our work at the #1 Park System in the nation. The Eastside's open seat on the Park Board deserves a candidate with a passion for parks, people, the environment, and a desire to serve.

As a volunteer coach and Minneapolis Public Schools teacher, Billy will bring to the Park Board a renewed focus on providing recreational programs serving all residents. Billy understands the issues facing our diverse community and can advocate for all Eastsiders.

Billy will be a fierce advocate for protecting the river. He is a great listener with the curiosity to explore all the issues. Billy has been out meeting people and his list of supporters continues to grow.

We will be well served by electing Billy Menz to the Park Board!
