Rosters

Narrabri Pony Camp requires a huge amount of assistance to run safely & effectively. Help can be in the form of parents, guardians, grandparents, aunts, uncles or brothers & sisters over 18yrs and must complete 6 shifts for the week of camp. Visitors are required to work an additional 3 shifts during the week if unable to help at the working bees. As required by NSW Government – Working with Children Department, all volunteers MUST complete and return the attached Member Protection Declaration. One form per volunteer – if you have already completed one within the last 2 years for Narrabri Pony Club that is sufficient.

Please indicate on the following rosters where and when you are able to assist.

Male Dorm Co-Ordinator: Dale Mason

The Senior & Junior boy's dorms are always difficult to organise supervision. It was decided after several discussions that NPC require males to supervise boys in the dorm and that there should be a minimum of two adults supervising at any one time. There will be a roster for the fathers/guardians of the boys in that dorm to sleep there at least one night during the week (this will count as your daily shift – Sunday night will be Sundays shift etc.). There will be a list of duties in the dorm to assist them so that they will know what the procedure is and when it is to be done.

(Please indicate preferred times and days with your name, every endeavour will be made to accommodate your preferences, however this is not always possible)
