Purple font = an earned bid returned because the school has exceeded its allotment of eight bids.

Green font = a replacement bid for one of the returned bids.

Brick font = a regional champion, hence one of the highest seeds in the tournament.

These results have been vetted by the regional hosts. Still, if there are any mistakes we want to correct them. We would regret any such mistake, especially if it affects your bid; but, we would be even more regretful if our mistake kept the team(s) that earned a bid/their bids from participating at the Championship Tournament. **PLEASE CHECK FOR MISTAKES** - If you see them, contact fguliuza@phc.edu as soon as possible!

You will also want to pay attention to directions for accepting your bids. These will include how to reserve your bid, and the deadline to do so.
