With the exception of any corrections that we might need to make, this is the list of teams that qualified for the 2019 National Championship Tournament in Orlando. Please keep an eye out for adjustments made to address school that have qualified more than eight bids. That will open up some bids. Too, please keep an eye out for announcements from President Mark Weaver regarding the bid list, due dates to accept your bids, and the like. And, of course, should you come upon any additional mistakes, please share them with me. Congratulations!
