

# Why Educators Join **MNEA-Retired**

*Retire from your position but not from your profession.*

“**You care deeply**

about public education and the retirement you are working hard to achieve. Joining MNEA-Retired will ensure that you keep your benefits of membership and continue to play an active role in the public education profession even after you retire.”

CAROL WEATHERFORD  
*Missouri NEA-Retired president*

SUPPORTING YOUR RETIREMENT

# Missouri NEA-Retired

Join the state and nation's leading retired educators association.

**If you plan to retire in the next five to 10 years, becoming an MNEA pre-retired member will be the one of your smartest investment decisions.** For only \$450, you can lock in your NEA and MNEA membership for life after you retire without ever paying dues again unless you re-enter active employment with a contract. Plus, you will continue working to protect public education through your role as an active member in Missouri's leading association for public education retirees.

1. **MNEA-Retired is the only official NEA retired organization** in Missouri working to protect and improve your PSRS-PEERS benefits.
2. **MNEA-R and NEA-R work at the state and national levels to protect all retired benefits**, repeal the unfair Social Security offsets (GPO-WEP), assure affordable health care and elect legislators and officials who understand and support the needs of education retirees and public education.
3. **MNEA-R members continue to be covered with a \$4 million liability-protection policy** when they substitute in public schools, get one hour free legal advice on personal matters each year, and continue to have access to all MNEA's discounts and member benefits (cell phone plans, rental cars and hotels, new and used automobiles, travel, group life insurance plans, etc.).

**Join the nation's leader in protecting our pensions and public education.**
