INTRODUCING...

Wrap'R-Grab'R®

The Wrap'R-Grab'R® is a tabletop mini waste bin for collecting waste paper and wrappers. Also auto cup holder version.

Designed by restaurant owners and staff to keep tabletops and seating areas clean and free of litter.

NEW PRODUCT for any restaurant, coffee shop, tabletop, desktop, countertop, bar, cashier, etc.

The SOLUTION to collect paper and plastic waste and help prevent pollution.

• Collect waste wrappers, paper, plastic, etc. and keep wrappers from blowing off tabletops.

• Keeps tabletops, seating areas, and all surrounding areas clean.

• Reduces pollution, unsightly trash and keeps environment clean.

• Mix and match lid, body, and base colors. Create almost any combination.

• Custom pad printed single and multi-color logos one or 2 sides.

• Patented grommet-style lid. Removable bottom for easy clean out. Dimensions: 5 ½” tall, 4” base.

• Durable, dishwasher safe. Heavy weight to prevent tip over.

• Perfect for restaurant tabletop, coffee shop, bar, counter top, cafeteria, desktop, cashier, etc.

• Fun and stylish way to collect waste. Food servers, restaurant owners and customers love it.

• Patent Pending (Utility and Design).

• Also a version for your car, truck, boat cupholder.
