

iDefend[®] Employee

It's your identity. Defend it.

The threats facing your employees and your business have changed.

Has your benefits package?

Unmatched protection.

Unlike any other service, iDefend includes the key essentials of protection to safeguard against the latest identity theft and cybercrime threats:

- ▼ Identity theft monitoring (personal, financial, medical)
- ▼ Credit monitoring, report, score (*Elite Plan*)
- ▼ Privacy protection resources
- ▼ Lost wallet protection
- ▼ Full ID theft recovery service
- ▼ \$1 million service guarantee

Plus:

- ▼ Secure PC Makeover (computer security checkups)
- ▼ iDefend Mobile (mobile device security support)
- ▼ MySocialGuardian (social media monitoring)
- ▼ Cyberhood Watch (alerts and education)

How identity theft impacts your business.

When the ID theft victim is your employee, their problems become your problems.

- ▼ Lost time and productivity
- ▼ Absenteeism
- ▼ Employee stress
- ▼ Distraction for other employees

As an employer, one of your top priorities is to help ensure your employees are secure, productive and focused.

Simple, affordable plans.

| BLANKET Coverage | | | |
|---------------------------------|---------|----------|-----------|
| | EE | EE+1 | EE+Family |

iDefend® is TOTAL identity theft protection.
It's the most complete protection you can get today, *period*.

Identity thieves and cyber-criminals are continually finding new ways to take advantage of those who are unprepared and unprotected—including online and through your home computer. It's never been more important to protect your privacy, your credit, your money, and those you care about most.

Choose the level of protection that's right for you:
