

We've come a long way since the founding of our congregation! Written documents record our congregation as the mother of Methodism in Cherokee county dating from 1830.

Countless people have met and worshipped the Lord in our sanctuary since it was first built 146 years ago. Throughout the 20th Century our church has ministered to the community surrounding us.

With this directory we approach a new millennium-the year 2000-with renewed vitality and strength as we continue to serve our community. Ministries today take new forms to meet a new world. As a church family, we are committed to continuing to meet the needs of our community. We invite everyone to join us in doing the Lord's work!

# 50th Anniversary 50th Anniversary

This directory of the Little River United Methodist Church is dedicated to Sue McCleskey, a member since 1949. She worked with the youth for 10 years, served twice as president of United Methodist Women and many years as the Sunday School teacher of the Fellowship Class.

A long-time friend, Mae Long, said, “An hour or so in her positive presence is an enriching experience to be treasured. Her loyalty and devotion never fail.”
