Spirit Parties

Baseball, softball, soccer—we love all sports and celebrate with our Spirit Parties.

Our studio is a great place to hold an end of season celebration— We offer our wood signs in

the shape of a football, baseball or any other sport and the kids paint their team name and number on it.

Plenty of room for parents, snacks and pizza!

Senior Parties

What a great place to celebrate with your best friends before you head off to college! Each person can create a different project—inspirational quotes, upcoming college emblem, or even something that reminds you of home and friends.

We provide signs, supplies and instruction. Food and drink are always encouraged.
