Millbrook Country Club would like to thank all of our loyal members as we continue to work to provide a golf course that is sustainable as well as enjoyable to play. We are also working to make it more beneficial to be and to remain a fulltime member. Over the past few years, Millbrook has waived the yearlong moratorium on any member who had either been suspended or resigned.

Effective September 1, 2017, and in accordance with Millbrook’s Bylaws, any member whose membership is terminated whether thru resignation or violation of the rules and regulations will **not** be permitted to apply for reinstatement for a **minimum** of one year and must pay a **minimum** of \$250 reinstatement (initiation) fee. In addition to these changes, Millbrook’s green fees have been increased to \$45 plus tax Monday thru Thursday and \$55 plus tax Friday thru Sunday. Please check with the Pro Shop for any additional information. Thank you for your understanding in this matter.
