Fix Divots on Greens and Fairways!

Daylight Savings time ends Sunday, November 5th at 2am.

Don't forget to turn your clocks back 1 hour.

Pro Shop will be closing at 4:30 pm beginning November 5th.

From the Board President

Recently our Board of Directors voted to come up with a great golf deal to motivate prospective members to join our club. The new member rate of \$135 will apply for two years then go up to the regular member rate. We're also adding a new corporate membership with added value to attract businesses to join. We hope to increase membership to a point that we may be able to lower the regular membership, to make a better value for all members.

We have also added a social membership. We are a semi private golf course, but a private club. People who regularly enjoy our amenities other than golf need to join as a social member. We plan on having more social events at Millbrook starting in November. Our club needs more members to help share the load on expenses associated with being a Country Club.

I encourage every member to talk about our course in a positive way and invite non-members to join. Stop by the pro shop to pick up a brochure with pricing. Membership has its privileges! We will have preferred pricing in the pro shop & restaurant/bar for members!

Out on the course, over the next few weeks, the roughs will be lowered.

The time has come to put our club first! Everyone working together to increase our membership and support the staff. We are doing the best we can to provide a great Golf and Country Club. Thank you for your past support and support in the future.

Congratulations to Jody Herring! He shot a hole-in-one on #11, not once, but twice!!

First time was August 12th and then just a few weeks later on September 3rd!
