THE EXCHANGED LIFE ADVANCED TRAINING

November 2017
to
October 2018

WHO WOULD BENEFIT FROM THE ELAT TRAINING?

Anyone who has a desire to know and experience more of their spiritual union with Jesus Christ and those who sense God's calling to a ministry of counseling and discipleship.

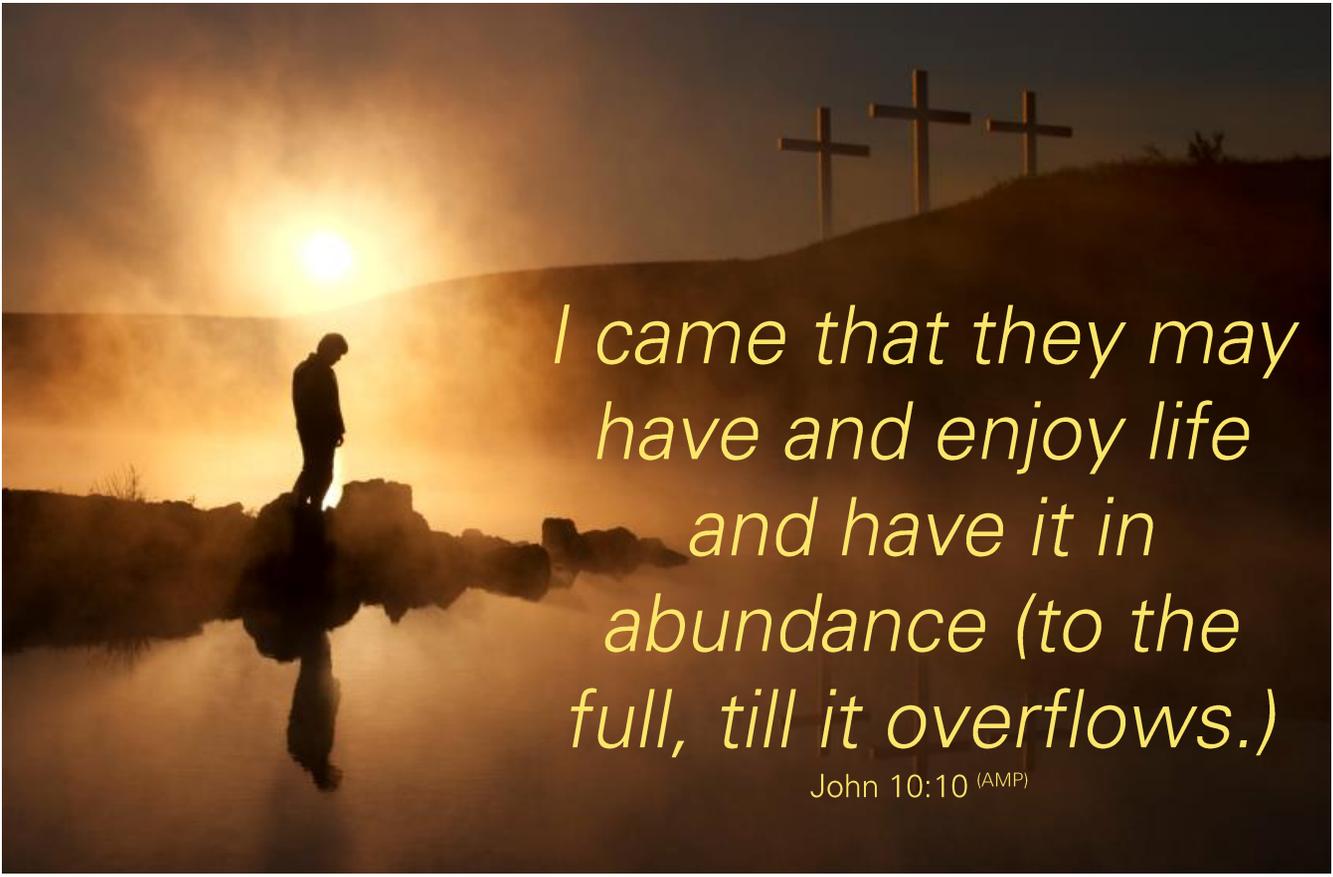

ELAT is a huge blessing in my life. The Exchanged Life teaching has given me a biblical perspective of God, myself and life. This has not been by just filling my head with knowledge, but rather, by focusing on how this works itself out in daily life. Knowledge alone is not lifechanging.

Ephesians 3:19a ^{AMPC} states, "That you may really come to know [practically, through experience for yourselves] the love of Christ which far surpasses mere knowledge [without experience]"

My family says that I have been peaceful during great trials. This is due to a biblical perspective on suffering, brokenness and surrender. It has changed my life. How could I have been so blind as to think God should fulfill my dreams and expectations?!

It is exciting to live according to His purpose, which is to live His life in and through me so He may be glorified! J.K.
