

THE PURPOSE

The purpose of Crossnet Ministries is to teach and equip believers to experience, mature in, and effectively communicate the message of the Cross in their various spheres of influence.

The message taught is Biblical and Christ-centered. It is best summarized in Galatians 2:20
"I have been crucified with Christ and I no longer live, but Christ lives in me. The life I live in the body, I live by faith in the Son of God, who loved me and gave Himself for me." (niv)

Unfortunately, most Christians have only been taught that Christ died for their sins, that they have been set free from the penalty for their sins. But they do not know the truth that they spiritually died, were buried and raised with Jesus. Therefore, most believers seldom experience victory over sin and freedom from the bondage to their fleshly desires and ways of coping with life.

The message of the believer's spiritual union with Christ is not new. It has been lived and preached by great men of faith down through the years. One of those being Hudson Taylor whose life was transformed through the revelation that his life had been "Exchanged" for Christ's, hence the term "Exchanged Life".

It is Crossnet's desire that every Christian would come to know experientially their spiritual union with Christ. That by their new identity, in Christ, they would consistently experience the abundant life promised by Christ Jesus. (John 10:10)

The Biblical truth of the "Exchanged Life" has set countless Christians free from bondage to their self-life (flesh). Crossnet Ministries provides teaching, discipleship-counseling, mentoring and books to encourage God's children in the daily application of Gal. 2:20.
