

The Exchanged Life Conference

This conference is not another self-help program, but a Biblically based teaching that deals with the frustrations of trying to live the Christian life. Most believers understand that their identity is found in their ability to live the Christian life resulting in a never-ending cycle of self-effort.

Illusive standards place the onus on the believer to a repetitive cycle of recommitments. Joy and peace become vague promises as feeling out of control is manifest in being tired, stressed and plain weary of life. Victorious Christian living can be seen as a myth reserved for only the very few.

There is great news for this dilemma that plagues so many believers; you were never meant to live the Christian life, only Christ can live the Christian life in you and through you! When God frees us, from our way of living and from our misconceptions of God, then we can be truly set free from the burdens of life.

The Exchanged Life Conference is a unique way of sharing the truth of the exchanged life. These Biblical truths have effectively transformed the lives of countless Christians setting them free from the bondage to illusive standards that produces so much conflict and frustration.

During the twelve hours of teaching through eight sessions you will learn the Biblical truths of a believer's amazing identity in Christ. This truth can transform your life as you enter into God's total provision for you in Christ Jesus. We pray that you will come to experience the amazing truth of "Christ in you the hope of glory".

I have been crucified with Christ; it is no longer I who live, but Christ lives in me; and the life which I now live in the flesh I live by faith in the Son of God who loved me and gave Himself for me. Gal 2:20 nkjv
