

Romans Course

The Romans course is an in-depth verse by verse study of Romans chapters five to eight. This portion of God's word is pivotal in understanding what the Bible teaches about becoming Christ – like. A deeper understanding is provided of how the death of Christ on the Cross has produced forgiveness of sin, how a believer is made righteous by faith, how his new spiritual identity is formed, the struggle of walking by faith and what it can look like to know by experience the message of “The Exchanged Life”.

A workbook is provided that offers verse by verse note taking and personal reflection questions. The lectures are supported by a power point presentation that follows the workbook

And the effect of righteousness will be
peace, and the result of righteousness
will be quietness and confident trust forever.
