2018**

Freedom in CHRIST

³ All praise to God, the Father of our Lord Jesus Christ. God is our merciful Father and the source of all comfort.⁴ He comforts us in all our troubles so that we can comfort others. When they are troubled, we will be able to give them the same comfort God has given us.

2 Corinthians 1:3-4 (NLT)

The prerequisite for enrolling in the Workshop is that you have attended:

The Exchanged Life Conference

The Workshop sessions total thirty hours over a weekend and your attendance at each session is imperative as others depend on your participation.

Many individuals who have come to know their union with Christ as life and are living in the dynamic of His abundance become aware of a growing desire to share this Biblical truth with others.

The Workshop provides a unique and effective method of learning how to share these life-changing truths with others.

This will be accomplished through role playing sessions that provide the opportunity to learn and practice:

- a. sharing the circle and line diagrams as taught in the Exchanged Life Conference.
- b. techniques designed to expose and pinpoint an individual's spiritual need.

Empowered by the Holy Spirit they will then be able to discern where the individual is on their spiritual journey and lead them to Freedom in Christ.

The benefit for every participant is that through the topics taught and the interactive sessions they will have the opportunity to further apply the truth of their personal identity in Christ realizing a deeper understanding of their own Freedom in Christ.

Through the dynamics of the Workshop, God provides each participant with a rich and powerful spiritual experience. The practice sessions provide for a time of intimate sharing that facilitates the development of new friendships and deepens existing relationships.

To more fully understand the objective of the Workshop it is recommended that each participant schedule a meeting with *Dallas Bergen the Director of Crossnet Ministries* before the Workshop and attend a follow up meeting after the Workshop.

To make an appointment call Dallas Bergen @ 403.270.4445 or email crossnet@shaw.ca.
