

Brock Babb Memorial Scholarship

Purpose

The Brock Babb Memorial Scholarship is an annual scholarship created by the National Tooling and Machining Foundation (NTMF) in support of students advancing their education and pursuing careers in manufacturing. Successful scholarship applicants will receive a minimum award of \$1,000, with a historical average of \$2,000 per award. It is the intent of the NTMF to award these scholarships as-needed.

Selection

The NTMA Education Team shall serve as the selection committee, and shall make recommendations to the NTMF from a list of those students that submitted complete and accurate applications following the criteria outlined in the Eligibility Requirements.

Eligibility Requirements

All Applicants Must:

- Be a high school senior or graduate, and at least 18 years of age by the start of the educational program.
- Be planning to attend, or attending an educational program focused on manufacturing skills, such as a trade school, technical school, apprenticeship program, or college or university in the United States.
- Provide official or unofficial transcripts for high school, and any further educational programs completed thus far.
- Provide a written summary (2 page, double-spaced max) stating career goals and interests, educational program (planned or in-progress), work-related activities, extracurricular activities, and reasons why they deserve the scholarship.
- Provide one letter of recommendation from a representative of an NTMA member company in good standing.

Award

The NTMF Brock Babb Memorial Scholarship funds will be paid upon proof of acceptance and enrollment into an appropriate education facility, as defined above.
