

Revenue Control Systems Warranty & Disclaimer

Revenue Control Systems Inc. (RCS) warrants its products and equipment to conform to its published specifications and to be free from defects in materials and workmanship, under normal use and service, for a period of two years from the date of shipment. Within the warranty period, RCS will repair or replace, at its option, all or any part of the warranted product which fails due to materials and/or workmanship. RCS will not be responsible for the dismantling and/or re-installation charges. The customer must pay all shipping costs for returning the product. This warranty does not apply in cases of improper installation, misuse, failure to follow the installation and operating instructions, alteration, abuse, accident, tampering, natural events (lightning, flooding, storms, etc.), and repair by anyone other than RCS. This warranty applies to RCS products only. All other products, accessories, or attachments used in conjunction with RCS equipment, including batteries, will be covered solely by their own warranty, if any. RCS will not be liable for any direct, incidental, or consequential damage or loss whatsoever, caused by the malfunction of a RCS product due to products, accessories, or attachments of other manufacturers used in conjunction with RCS products. RCS does not claim that the Product may not be compromised and/or circumvented resulting in burglary, robbery, property damage, or otherwise. RCS products should only be installed by qualified installers. The customer is responsible for verifying the qualifications of the selected installer. RCS shall have no liability for any death, injury, or damage, however incurred, based on a claim that RCS Products failed to function. However, if RCS is held liable, directly or indirectly, for any loss or damage arising under this limited warranty or otherwise, RCS's maximum liability will not in any case exceed the purchase price of the Product, which will be fixed as liquidated damages and not as a penalty, and will be the complete and exclusive remedy against RCS.
