
“A Second Helping” HAS MOVED

What is it? A volunteer organization which collects canned goods, *perishable and non-perishable* food, actually ANY leftover item from vacationers as they leave Holden Beach. These will be distributed to the needy in our area of Brunswick County through One Can Ministries @ Sharon United Methodist Church.

When is it? ON SATURDAY MORNINGS... 7 AM UNTIL NOON.
Beginning June 9 and running through September 8, 2018.

Where is it? Our new, convenient drop-off site is at the south end, roadside, at the **Beach Mart** parking lot on Holden Beach Rd... just across the bridge on the right. Easy off and back on.

What we can use... Any food or non-food item will be accepted (we are unable to handle leftover PREPARED dishes). Non-food items of any kind are also distributed to those in need through the food pantry. We also accept **CASH** (or check) donations which will be used to purchase milk, eggs, chicken and other staples in great demand through One Can Ministries. Cash donations may be given to any volunteer or sent to the address on our website ...
