

CITIZENS AGAINST THIS SCMAGLEV MEETING

7:30PM EVERY OTHER
THURSDAY

reference meeting date: 8/3

SCMAGLEV PROJECT IS MOVING QUICKLY

Selection of final route is currently underway. The yellow "WB&A Trail" route appears to be preferred.

SCMaglev is a high speed train aimed to get passengers from Baltimore to Washington, D.C in 15 minutes. The proposed train however, has no benefit to any of the communities that are impacted.

SCMaglev will negatively impact historical and recreational areas, private lands, property values, current commuter needs, and the environment.

Proposed routes will bisect communities in Bowie, Glenn Dale, Piney Orchard, Odenton, and potentially more.
