Water Safety Consulting & Pool Management, LLC offers private lifeguarding services for private events. We have lifeguards who are all waterfront/lake certified, waterpark certified, pool certified, aquatic attraction certified, shallow water certified, and open tidal water certified. All lifeguards are also certified in CPR/AED and First Aid. For additional fees, we also have lifeguards certified in Emergency Medical Response and as EMT's. Please complete this form and return, via email, to our office. Our rate for private lifeguarding service starts at \$50 per hour per lifeguard, requiring 1 lifeguard for every 10 swimmers (pool) and 6 swimmers (open water).
