

## Transforming gender norms to promote family planning in India, and Niger

San Diego State University-UC San Diego Joint Doctoral Program in Public Health and the UC San Diego Center on Gender Equity and Health invite you to attend our satellite session at the 10<sup>th</sup> Annual CUGH Conference in Chicago  
“Translation and Implementation for Impact in Global Health”

*Our session will be led by:*  
Sneha Challa, MPH  
Anvita Dixit, MSc

The session will provide an overview of gender transformative approaches that engage women and girls, men and boys to change norms around acceptability of family planning.

Strengths and challenges of family planning promotion intervention in 2 unique contexts.

Thursday, March 7, 201

1:00pm –3:00 pm

Location: Joliet Room, Hilton Chicago Hotel

Please RSVP as space is limited, go to:
