YOUR CHILD'S FIRST INSTRUMENT IS THEIR MOST IMPORTANT!

Less expensive instruments for sale on-line or at a big box store can be tempting. Brightly colored instruments may also look fun. Unfortunately, these instruments will not provide your child with the proper tools to successfully learn. Just as you would not send your child into the classroom or onto the playing field without the proper equipment, your child's musical experience should begin with a quality instrument.

RENT VS BUY

• TEACHERS UNANIMOUSLY RECOMMEND THAT NEW STUDENTS RENT!

- Most young students start with a smaller instrument, and then will move through several sizes as they grow. At Day Violins, your rental includes *free instrument size-ups*.
- **Day Violins' "Purchase Credit" program is better than "rent to own"**. Beware of "rent to own" programs! With rent to own, you can get easily get trapped with an instrument that is not appropriate for your child's skill level. At Day Violins, "Purchase Credits" are earned with every rental payment. Then, at the appropriate time, these "Credits" may be applied towards the purchase of an instrument that is suitable for your child's more advanced playing skills and needs.
- The Day Violins "Strings to Scroll" maintenance plan protects you and your instrument from costly repairs due to accidental damage--including bows, strings and cases. **No deductibles--No co-pays!**

WHY IS QUALITY IMPORTANT?

- **PROVIDING YOUR CHILD WITH THE RIGHT "TOOL" IS VITALLY IMPORTANT TO THEIR MUSICAL SUCCESS!**
- Day Violins offers only the highest quality student instrument for its basic rental.
- Day Violins has a knowledgeable staff and quality customer service.
- All rental instruments are hand-selected and locally owned by Day Violins. Each Day Violins rental is professionally set up for ease of play.

WHY IS SIZE IMPORTANT?

- **A PROPERLY SIZED INSTRUMENT MAKES FOR EASIER AND MORE PROFICIENT PLAYING!**
- Sizing the instrument takes into account the child's height, the length of arm, hand size, and body configuration. Sizing can be done by a Day Violins staff member or by your child's orchestra teacher.
