Football State Championships Return to AT&T Stadium

ByJonathan Rodriguez May 9, 2018

Football State Championships are back at Jerry's World in 2018 and 2019.

The UIL State Championships will once again be hosted by AT&T Stadium in 2018 and 2019 according to a press release on Wednesday by the UIL. The culmination of the 11-man and 6-man seasons will once again take place in Arlington, Texas where it has been since 2016. The 2018 championship games will be slated for December 19th-22nd.

One other unique aspect about the upcoming championships games is the implementation of instant replay for those games which was decided this past April.

"Instant replay will help ensure that the calls during the biggest games of the year are as correct as possible," said Dr. Charles Breithaupt. Replay will only be made available during the championship games.

At a venue such as AT&T Stadium that seats 80,000 and has a massive video board that totals 11,520 square feet, the UIL State Football Championship experience puts in a class all its own.
