The Old Coach's Carl Bailey sat down with Allen Head Coach Terry Gambill following their 74-36 win against previously undefeated Plano East. Allen sits at 6-0 this season with a road test against Dallas Jesuit next on Friday Oct. 19.

The Eagles are riding a 16 game winning streak carrying over from last season. Led by Ole Miss QB commit **Grant Tisdale**, Allen's average margin of victory this season has been 34 points. With a strong offensive line led by **EJ Ndoma-Ogar** and an endless set of skill players led by five-star Oklahoma WR commit **Theo Wease** and Texas State RB commit **Andrew Henry**

The 36 points scored by Plano East is the most points scored against the Eagles' defense this season. Bailey has been impressed by the defense's ability to force turnovers, highlighted by a pick six by Jingwa Asonganyi last week.

Looking forward, Allen goes on the road to face off against a 2-4 Dallas Jesuit team that's better than their record indicates. Gambill expects a test, but with the way Allen has handled their opponents this season, don't be surprised if Allen extends their winning streak to 17.
