Horn Lake 5-star Inside Linebacker **Nakobe Dean** took a three hour drive from home, (Horn Lake, MS) to the city of the 2017 National Champions.

From your visit at Alabama what did you enjoy the most?

"I probably enjoyed being able to talk football with the coaches and explain my expected role if I do decide to go there."

Did it give you that sense of a family environment?

"Yes it did, I been there a-lot of times and it feels more like home each time."

How far is Alabama from your home?

"3 hours."

By having a tour from Alabama Inside Linebacker Josh McMillon sparked Dean's interest even more. As of now Dean doesn't have any scheduled official / unofficial visits set for these upcoming summer months.
