Zachary Evans jumps to No. 1 in 2020 class

Zachary Evans is the new No. 1 player in the 2020 class.

Evans jumped to No. 1 in the 247Sports Composite player rankings following an industry update Tuesday. The Houston running back ranks No. 6 in the Top247, but 247Sports on Feb. 20 will update its rankings for the 2020 class.

The rising high school senior headlines an excellent group of ball carriers in 2020 cycle. Evans is one of six running backs in 2020 that hold a five-star distinction in the 247Sports Composite. For context, the 2018 and 2019 classes combined featured six 247Sports Composite five-star rushers total.

But Evans, one of the best backs in Texas high school history, might be in a class all his own.

The 6-foot, 213-pound North Shore High School product is already a state champion in Texas' highest classification, having led his team a year ago with 1,483 yards and 27 touchdowns. North Shore finished the year with an undefeated record in 6A, winning the state championship on a Hail Mary.

Evans' recruitment promises to be a contentious one.

Texas currently leads in the Crystal Ball with 43 percent of the projections, followed by Texas A&M (29 percent) and Oklahoma State (14 percent). Make no mistake, though, this will be a national recruitment. Evans showed heavy early interest in Alabama and LSU, and he recently visited Georgia and Tennessee.

Evans runs a verified 4.5-second 40-yard dash, but his real strength is his vision and suddenness in the open field.

If Evans were to hold on to the No. 1 spot in the 247Sports Composite rankings, he'd be just the fourth running back ever to hold that title joining **Adrian Peterson**, **Joe McKnight** and **Leonard Fournette**.
