The Duncanville Panthers are coming off of one of their best seasons in school history in which they sported an undefeated regular season before dropping to Euless Trinity 28-27 in the second round.

This season, coach Reginald Samples will lead his Panther squad back out in search for more than they were able to scavenge a season ago.

The Panthers will return Under Armour All-American quarterback **JJ Jackson** to lead the offense alongside all-district wide receiver Karien Howard. Lining up with Howard will be recent senior transfer and Illinois commit **Marquez Beason** who will play both sides of the ball for the Panthers.

Safety **Stacy Brown** will look to provide solid support on the defensive end alongside Beason as he continues to rack up FBS offers, with the most recent being Air Force, his 21st.
