Marshall Christian School Referral Tuition Discount Program

You will be given a \$500 tuition discount for each new family that enrolls a student in K5 or above at MCS as a result of you referring them to our school. The following must apply:

1. The new family must say at enrollment that they are coming here because you referred the school to them.
2. Your discount will be credited after at least 6 months tuition has been paid for the new student.
3. This discount will apply even if you receive another discount.

We look forward to giving several of these discounts away as a result of new students coming to MCS.
