REST IN THE LORD

For several weeks we have listened to readings that have recounted just how arduous the work of prophets and disciples can be. In today's Gospel, the Lord Jesus listens to the reports of those he had sent out "two by two" to minister to the people. After the apostles reported what they had done, Jesus, recognizing their fatigue, says, "Come away by yourselves to a deserted place and rest awhile" (Mark 6:31). Perhaps this is what the Lord is telling his disciples in the year 2018 as well. We need to pause on our journey of discipleship and simply rest in the Lord. Sunday Mass provides many opportunities for quiet times, particularly during the periods of silence following the readings. Why not take the time today to allow the saving word of the Lord to penetrate your heart during those silent times? Ask the Lord to renew you in body, mind, and spirit for the arduous work of discipleship.

From The Pastor's Desk

SABBATH REST

Sabbath. We hear the word, and many think of the obligation to attend Sunday Mass. Today, we hear Jesus say to the disciples, "Come away to a deserted place and rest a while." This is the true spirit of sabbath— to take time away, to worship God, participate in Eucharist, to be refreshed in body, mind, and spirit. Thought of in this way, sabbath is not an obligation but a privilege, a gift rather than a burden. Making sabbath begins with a commitment to put God first. That is what the shepherds that Jeremiah called for were to do, to lead the people to be people of and for God. This is what Jesus, the Good Shepherd, leads us to do, and he shows us how to do this. Not only does Jesus take time away for prayer and to "rest awhile," he also spends time with the people who need him. In sabbath, we spend time with God, family, our faith community, and friends. And this spending time "with" helps us to re-orient our lives towards what is most important.

Taking Sabbath to heart has a significant impact on the way in which we live our lives, practically and spiritually. The practical part is evident on the surface. Setting aside time for Sunday Mass, quiet, and time with others requires planning and commitment. There is a practical dimension to the physical and emotional benefits of such time away from the stress and busyness of our daily lives as well. The spiritual impact of sabbath may take a little while to begin to perceive. When we put God first in our lives, everything else falls into place in a different, holier way. We begin to see God's grace in the daily circumstances of our lives, and to grow in understanding of what we are to do and how we are called to act. We know who we are in God's sight, and whose we are, as children of God.

Encouraging all ages to attend!!!

Film is about Sr. Clare Crockett, a budding actress who leaves her career and the open doors to fame behind to give her life to God. Some might see this as a total failure. But was it? Those who knew Sr. Clare speak in this film. After her tragic death in the 2016 earthquake in Ecuador, the failure might be seen as having reached its devastating end. Yet, many think that the story doesn't end there. Thanks to the Servant Sisters' archives with over 15 years of photos and videos of Sr. Clare's life. HM Television Presents this documentary to show you the real-life story of this Sister who gave her ALL to God, keeping NOTHING back.

Here is a link to the trailer and some more information about the film.

Treasures from Our Traditions

The American Revolution cleared the way for freedom of religion in the former colonies, since the colonies had always been a more religiously tolerant place than the old country. Even so, colonial laws restricted the practice of the Catholic faith, and just as in England, Americans who desired to be priests or nuns had to go to the Netherlands or France. As political storm clouds gathered in France, an American woman, Mother Bernardina Matthews, the prioress of the Hoogstraeten Carmel in Holland, made a brave move. With two other American nuns, her nieces, and a Dutch sister, she came to Port Tobacco, Maryland, in 1790. Within twenty years the community had grown to twenty, although by 1823 their farm failed and they had to move to Baltimore and open a school. The Carmelite order requires contemplation and cloister, so in time the school was closed. The Port Tobacco land had long since been sold, but in 1976 a community of nuns was able to return thanks to loyal neighbors who had worked for forty years for their restoration. Today, our original American convent is fully alive in prayer, hard work, and strong community.
