A Message from Our Vice-Chairman, Dowell Garrison

Welcome to the 2018 annual meeting of LCRA Credit Union. It's wonderful to see so many people in attendance. I can see you care not only about your financial future, but the future of your credit union as well. I applaud you.

I'm delighted to speak to you today and humbled by the trust you've placed in me and my fellow board members whose leadership, dedication, and passion for credit unions are integral to our success.

As a credit union member, you can take comfort in knowing that, unlike for-profit financial institutions such as banks, your board of directors serves on a volunteer basis and doesn't profit from that service. The Board of Directors and credit union employees don't work for shareholders demanding to collect high profits. Our sole interests are in your interests. We are the stakeholders in this credit union, and we all share in its future.

I'm proud to say that your credit union is not just one financial institution, but one of thousands in a credit union movement that spans the globe. We each serve as a supporting pillar in this movement, and that means that the success of one credit union is a success for the entire movement.

As a financial cooperative, we understand that we can most effectively serve you and strengthen that movement by engaging in the vast network of organizations and service groups available. Some of these trade associations are the, Credit Union National Association (CUNA), Catalyst Corporate Credit Union and the shared branching network.

In addition to establishing policies and ensuring that the credit union adheres to pertinent laws, regulations, and sound business practices, we are also charged with making sure new products and services are developed as needed. With the continued success of LCRA Credit Union, we can offer beneficial savings and wealth-building tools and other financial products and services that enhance your life, improve our delivery channels, and expand our community outreach.

Our highest and best purpose in serving you includes some of the following objectives:

- We want to offer more and better resources that ensure our members are using the safest, most secure, and most convenient technology available.
- We want to grow our community impact through basic interest payouts, financial capability programs, payment
 deferral during community emergencies, and working with members that face challenges in whatever life phase they
 might be in; and
- We want to help you finance life activities, such as education, small businesses, and transportation in a responsible way.

In closing, I'd like to express my confidence in the wisdom and guidance of our esteemed Board of Directors, the commitment of our dedicated staff, and the support and loyalty of our members. Thank you, ladies and gentlemen. I wish you and your families the very best i

Respectfully submitted,

2018 Nominating Committee

Treasurer's Report

The LCRA Credit Union ended 2017 with 2,954 loyal members. We maintained our financial strength and ended the year with a net worth to total assets ratio of 12.51%, which exceeds the national peer group of same asset size. Assets decreased by \$1,538,729.38 to \$21,459,668.37, while loan demand decreased by \$2,426,335.26 to \$10,581,430.83 but still exceeds the loan to share ratio for the national peer group of same asset size.

The Board of Directors represents and serves the members of the LCRA Credit Union by ensuring that account integrity is maintained, confirming that loan policies and procedures are followed in accordance with State and Federal regulations, and serving as Grievance Committee should a problem arise between the credit union and a member.

In addition to performing periodic reviews of accounts and procedures, the Board oversees the annual audit and reviews of the credit union's books and records by an independent auditor, and may make recommendations based on any finding of these reviews. For the period ending June 30, 2017, the Board of Directors contracted for the services of Harold Antao and Company, LLC to conduct the annual audit, which once again revealed no major discrepancies or irregularities in the accounts or practices of our credit union. Any recommendations made by the internal auditor have been reviewed and staff has made appropriate changes.

Your credit union Board of Directors will endeavor to meet the challenges of maintaining a strong financial institution for you, our members, while providing the personal service you deserve.

Respectfully Submitted, LCRA Credit Union Management
