# WKS Summer Music Camp 2018

Summer music campers will learn and explore music by contemporary pop and rock bands by delving into multiple instruments, creating, collaborating, and forming their own bands!

Campers will be mentored by current working and recording artists, and guided in writing original songs, designing band merch, recording demos, plugging in and performing "patio gigs," and more!

**4-6 year-old** music campers will focus on keys and vocals, while **7-12 year-olds** will add guitar/bass/drums to their bands.

Our **10-13 year-old** camp bands will be taken to the next level, learning modern production and recording techniques so they can continue their musical journey beyond camp in true garage-band style!

Our Saturday Rock Band Summer Jam Camp will work to develop artists **13-17 years old.** The main focus will be on writing and recording a professional-quality EP. Existing bands are encouraged but not necessary.

No experience necessary for any age group! We will develop and unite bands according to instrument interest and ability.

> White Key Studios Summer Music Camps will be held Monday-Friday 9am-3pm.
