At Adrenaline Dance Factory, we are committed to providing quality Performing Arts/Dance education in a positive, fun, healthy, and safe environment. We recognize the value of each and every student. Our belief is that each student should be treated as an individual. The environment of our studio encourages each student to reach his/her fullest potential; whether they are a recreational dancer or an aspiring ballerina. We wish to bestow upon each student a love of the art of performing, and to gain the self-confidence necessary to thrive in today's competitive world. We are committed to our customers in every aspect of our business. We vow to exceed your customer service expectations both in the classroom and in dealing with all business aspects. Our clients come first, and each child is a valuable asset to our unique and thriving studio, no parent or child is taken for granted. Our number One priority has and always will be: YOU!

The Adrenaline Dance Factory (ADF) Company Team is for those students who desire to take their dance training to the highest possible level. Whether choosing to advance to a competitive level dancer or one who aspires to pursue a professional career, this program will give students the technical and artistic training that they will need to achieve all of their dance goals. ADF Company students will be held to the highest level of Professionalism and will always remember that a TEAM is more than just ONE dancer and WINNING is not always defined with an award.

The Company dancers attend competitions, dance convention(s), local community performances, fundraising events and a showcase event. (Company Requirements detailed in ADF Company Information Handout)
