Bahnhill Lighthouse Mission, Inc. (BLMI) is a nonprofit Florida corporation whose mission is to share the gospel of Jesus Christ as we provide for the development and restoration of basic life services for the people of Liberia, West Africa following their 14 year civil war. The mission was established in 2012 and has launched all five of its ministry objectives as it strives to meet the ever increasing needs for services. These mission objectives include the development of schools, clinics, churches, agricultural and entrepreneurial enterprises.

BLMI is an independent Christian Foreign Mission ministry that raises support so that Missionary Rev. George A. Graham and others on the field can accomplish the work. We are seeking to partner with strong Christian churches, and other organizations that will pray, volunteer and give financial support. Please consider the following information as you determine your level of support.

Accomplishments to date: In our first term we established 3 schools serving over 300 students; began a medical clinic ministry; developed agriculture projects including rice, vegetables and meat; engaged in Christian Growth and Development with the planting of a church along with giving support to other ministries through preaching, teaching and music ministry and launched the building construction of a training complex.

I. Current Major Project Focus:

- A. Purchase of a shipping container at a cost of \$6,600, to send to the mission field containing donated vehicles, Bibles, Christian literature along with medical, school, agriculture and building equipment and supplies.
- B. Send container to the field by August 2015.

Plan for Giving:

- A. Requesting each partnering church or organization give a one time donation of \$500.00 to help meet our mission objectives.
- II. B. Requesting each partnering church or organization to commit to an annual donation of \$500.00 to help meet our mission objectives.

- C. Note: 90% of financial contributions received are sent directly to the mission field and all gifts are tax deductible.
- D. Our request is also for your faithful prayer and any additional support as you are led by the Holy Spirit.

III. Future Opportunities:

- A. We are planning future trips to Liberia for hands-on mission engagement and would love to have you join us. Information will be provided as trips are planned.
- B. We plan to send a container to the field bi-monthly filled with clothing, school supplies, over the counter medicines and medical supplies (blood pressure, blood sugar monitors, etc.) These are ongoing needs and we will be collecting contributions year round. Donations through churches and other organizations is a major part of fulfilling this goal.

Thank you for accepting our request for your support. Please feel free to contact us if you have any questions or need more information. We look forward to partnering with you.

Your support helps bring the Light of Hope to the families of Liberia, West Africa.

Sincerely,

Ernie Coney, President, Board of Directors
