

Crown Magic:

Crown magic is a new set of spells that can be cast by magic-users in Westbound. When a Magic User spell-sculpts and includes at least one Crown card in the mana, the spell becomes a Crown Spell. A crown card is any King, Queen, or Jack. A Crown Spell only requires one Crown Card in its mana to become a Crown Spell.

Spell Surge on Crown Magic:

Typically, only Tier 4 spells can utilize Spell Surge. Crown Magic, however, can always be affected by spell surges. A Magic User can sacrifice additional mana during spell sculpting to empower a spell with a spell surge, and there is no limit to how much mana can be applied to a Spell Surge.
